

GBC Surebind 2 Heavy Duty Manual Punch and Strip Binding Machine

This heavy duty binding machine features a manual punch capacity of 20 sheets. This binder efficiently punches 10 holes for A4 Surebind strips and securely binds up to 500 sheets using 2" strips.

The GBC SureBind 2 System Strip Binder is the perfect solution for businesses seeking secure document binding. Featuring a full-width double handle, it ensures smooth, effortless punching. Secure binding is achieved through the welding of two strips, creating a permanent spine. This system combines a manual punch capable of handling up to 20 x 70gsm sheets with an electric binder that efficiently binds up to 500 sheets at a time, catering to diverse document binding needs. Grey colour.
